REVISION AND AMENDMENT ORDER NO. R1-2008-0110
(AMENDING AND SUPPLEMENTING)
CEASE AND DESIST ORDER NO. R1-2006-0109

FOR

THE CITY OF FERNDALE
WASTEWATER TREATMENT FACILITY
NPDES Permit No. CA0022721, WDID No. 1B83136OHUM

Humboldt County

On the basis of preliminary staff review and application of lawful standards and regulations, the California Regional Water Quality Control Board, North Coast Region, proposes to revise Cease and Desist Order No. **R1-2006-0109**, issued to the City of Ferndale on November 29, 2006, for violations and threatened violations of Waste Discharge Requirements and National Pollutant Discharge Elimination System (NPDES) Permit Order No. R1-2000-92, which was replaced by revised Order No. R1-2008-0038 on June 12, 2008.

The Regional Water Board will consider amendment to required tasks and the associated schedule required under Order No. **R1-2006-0109**. The revised schedule would result in a 2 year delay in achieving ultimate compliance with provisions of Waste Discharge Requirements Order No. R1-2008-0038 NPDES Permit No. CA0022721.

Public Hearing Procedures

A public meeting to consider comments and objections to the proposed amended permit language is scheduled for December 11, 2008, in Santa Rosa at 9:00 a.m. or as announced in the Regional Water Board's agenda. The meeting will be held at the Regional Water Board Hearing Room, 5550 Skylane Boulevard, Santa Rosa, California. At the hearing, the Regional Water Board will consider whether to affirm, reject, or modify the proposed changes to the waste discharge requirements.

The Discharger and interested persons must submit to the Regional Water Board office at 5550 Skylane Boulevard, Suite A, Santa Rosa, California, 95403, written copies of all technical reports, testimony, and other evidentiary material concerning this issue by 5:00 p.m. on October 29, 2008. This written material will be submitted to the Regional Water Board members and all interested persons along with the full agenda materials.

Written material received after the above date will not be accepted, except at the discretion of the Regional Water Board Chair. Untimely written material will not be accepted or incorporated into the administrative record if doing so would prejudice the Discharger or the Regional Water Board staff. The Chair may choose to modify this rule upon a showing of severe hardship (California Code of Regulations, Title 23, Sections 648.1 and 648.4).

All those who plan to testify at the hearing must submit written statements to the Regional Water Quality Control Board by October 29, 2008. The statements should provide the name of the witness, their qualifications (if an expert), and the scope of their intended testimony. Testimony at the above-scheduled hearing may summarize or explain timely submitted or late accepted written evidence, but shall not add new evidence. The time constraints for oral testimony or comments will be set by Regional Water Board Chair and usually will allow no more than 10 minutes for Regional Water Board staff and the Discharger and three minutes for other interested persons. A timer may be used and speakers are expected to honor the time limits. Where speakers can be grouped by affiliation or interest, such groups will be expected to select a spokesperson and not be repetitive.
